IMMIGRATION

If you currently have foreign staff on your team, setting up a consultation with Perez McKenzie Immigration could be a great tool for your business.

An immigration consultation will allow us to assess your employee's eligibility for different work permit options or permanent resident pathways and provide you, as the employer, with the knowledge of what is required to support your employee.

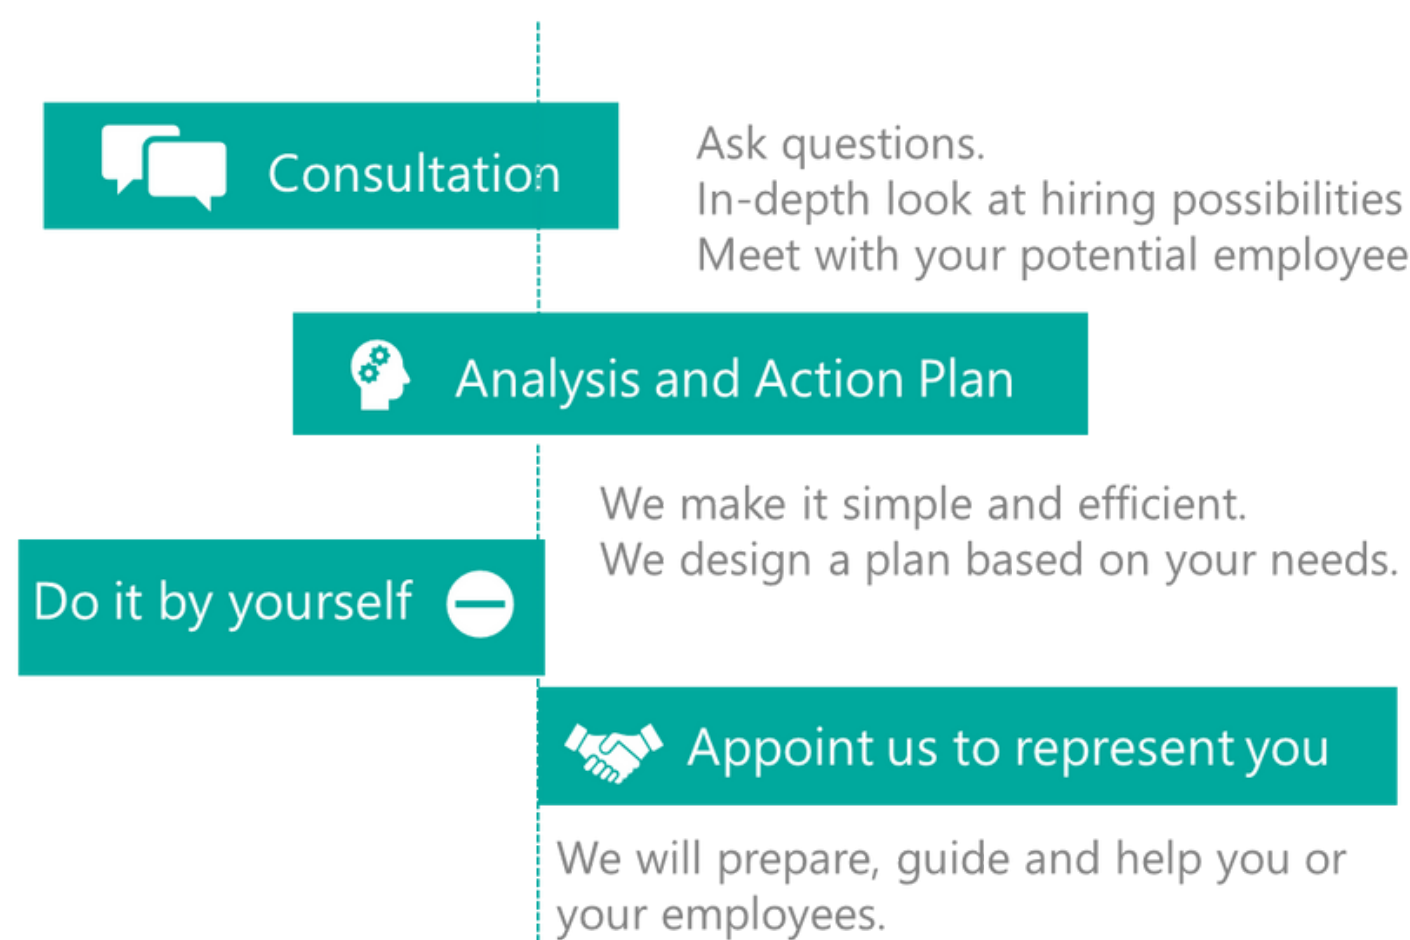

Perez McKenzie has partnered with Tourism Fernie and the Fernie Chamber of Commerce to provide Immigration Consultations to members that can benefit from this service. The initial consultation (usually \$210 for a single applicant) will be covered by Tourism Fernie.

HOW IT WORKS

- Contact Caitlin Bates at Perez McKenzie Immigration at caitlin@pmimmigration.com with details about you, or your employees circumstances and what you are interested in.
- **Book your session** – sessions are held over Zoom and will last for up to one hour.
- Caitlin will liaise directly with Tourism Fernie (TF) to arrange payment for the consultation (value up to \$210) for TF members. Additional sessions are at the direct cost of the TF member.
- **Limited spots are available** and will be booked on a first come, first served basis. This offer is available until all spaces are filled.

If you have questions regarding our process or whether this service will be of benefit to you, please feel free to contact Caitlin Bates directly.
