

Key Principles Going Forward

- ✓ Staying informed, being prepared and following public health advice.
- ✓ Practicing good hygiene (hand hygiene, avoid touching face, respiratory etiquette, disinfect frequently touched surfaces).
- ✓ Staying at home and away from others if feeling ill – not going to school/work.
- ✓ Maintaining physical distancing outside the household (e.g. no hand shaking or hugging, small numbers of contacts and keeping a safe distance).
- ✓ Making necessary contact safer with appropriate controls (e.g. plexiglass barriers, room design).
- ✓ Increasing environmental cleaning at home and work.
- ✓ Considering the use of non-medical masks in situations where physical distancing cannot be maintained (e.g. on transit, shopping).
- ✓ Reducing personal non-essential travel.
